

## CONTENTS OF VOLUME 16

### *No. 1, March, 1969*

N. KOMI and S. KAWASAKI: Meconium Ileus and Cystic Fibrosis in Japan: Re-evaluation of 46 cases .....	1
S. TAKAYAMA: Incidence of Cytomegalic Inclusion Disease .....	7
G. KONISHI: Changes in $\Delta^4$ -Steroid Hydrogenase Activity in Rat Liver after Tumor Implantation .....	37
N. FUSE: Flow, Stress Relaxation and Compressive Strength of Dental Amalgam .....	17
Abstracts of Original Articles (in Japanese Language) in the Journal of the Japan Stomatological Society (Kokubyo Gakkai Zasshi), Vol. 34 No. 2, 1967-Vol. 35 No. 3, 1968 .....	47

### *No. 2, June, 1969*

T. YONAGA, H. SAWADA and K. TAKEDA: A New Method of Assay for Heavy Metal Detoxicants Using Dentin of the Rabbit Incisor (I) .....	65
T. YONAGA: Quantitative Studies of the Effect of Hypophysectomy on the Growth of Bone, Teeth and Hair and the Relationship to Each Other .....	73
S. ASAHI: Energy Expenditure in Grade Walking .....	85
T. SUZUKI: Effect of Exposure to O <sub>3</sub> , SO <sub>2</sub> and NO <sub>2</sub> upon the Lung Histamine Content of Guinea Pigs .....	99
F. MIURA, E. NUNOTA, K. HANADA, K. OHYAMA and K. NOGUCHI: Effect of Growth Hormone on Growth and Development of the Dentofacial Complex in the Young Rat; A Study by Means of Longitudinal Roentgenographic Cephalometrics .....	109
K. NEMOTO, T. ISHIWARA and M. AI: A Study on the Three-Dimensional Range of the Mandibular Movement at the Incision Inferius .....	123
H. AMEMORI and Y. HIRABAYASHI: Case Report on Partial Anodontia with Marked Improvement Following Oral Rehabilitation .....	139
M. NAKAGAWA: Facilitatory Effect of Certain Chlorides on Taste Nerves Responses of the Toad to Acids .....	151

K. OHYAMA: Experimental Study on Growth and Development of Dentofacial Complex after Resection of Cartilaginous Nasal Septum .....	157
Abstracts of Original Articles (in Japanese Language) in the Ochanomizu Medical Journal (Ochanomizu Igaku Zasshi), Vol. XVI, 1968 .....	177

*No. 3, September, 1969*

T. OKUYAMA, S. SUZUKI, K. OHNO, T. ADACHI and M. TAKAHAMA: Metastatic Spinal Tumor Involving the Spinal Cord: An analytical study on a series of 12 cases verified by myelography and/or autopsy .....	187
Y. UDA, N. YANAGAWA and Y. NAKAZAWA: The Lipid Composition of Tissues in Niemann-Pick Disease .....	211
H. OHIWA: Effects of Exercise on Respiratory Responses under High Atmospheric Pressure .....	223
R. OKUDA and T. FUSAYAMA: Influence of Mold Temperatures on Surface Roughness and Porosity of Castings .....	239
H. ITO, T. SODA, T. NAKAJIMA, T. ONO and S. HIROSE: Central Mucoepidermoid Tumor of the Mandible: Report of case .....	251

*No. 4, December, 1969*

S. MATSUBARA: Chromosomal Damages in Circulating Lymphocytes Induced by Therapeutic Irradiation .....	261
K. KISHI: Histochemical Demonstration of Purine Nucleoside Phosphorylase Activity .....	289
K. KOHNO: Ultrastructure of Long Gliosome in Satellite Cell of Frog Spinal Ganglion .....	303
N. KAWAMURA: Immunological Studies on Human Thyroid Glands, Especially on Antigenicity of Epithelial Cells in Various Disease..	311
A. IGARASHI: A Respiratory Adaptation of the Ama .....	327
R. OKAMOTO, K. ASHIKAGA and H. OHTSUKA: Isolation of Prolactin by Acrylamide Gel Electrophoresis of the Rat Pituitary Tissue Culture Medium .....	343
H. IKEDA: Studies on 16-Carat Dental Gold Alloys .....	351
